**MIAMI-DADE COUNTY, FLORIDA
NOTICE TO PROFESSIONAL CONSULTANTS
PUBLIC WORKS AND WASTE MANAGEMENT DEPARTMENT
MISCELLANEOUS PROFESSIONAL SERVICES AGREEMENTS TO PROVIDE GENERAL LAND
AND ENGINEERING SURVEYING SERVICES
PROJECT NO. E15-PWWM-07**

The County Mayor, Miami-Dade County, pursuant to Florida Statutes, Chapter 287.055, Sections 2-8.1 and 2-10.4 of the Miami-Dade County Code, Implementing Order 3-34, and Administrative Order 3-39, announces that the Miami-Dade County has the need to establish Professional Services Agreements to provide General Land and Engineering Surveying Services. These agreements will be utilized primarily for the land surveying necessary for design and construction projects funded by the People's Transportation Plan (PTP), the General Obligation Bond (GOB) Program, as well as other funding sources. The agreements will also be accessed by other County Departments, including but not limited to, Aviation, Water and Sewer, Internal Services, Regulatory and Economic Resources, Public Housing and Community Development, Parks, Recreation and Open Spaces and the Seaport.

The effective term of each contract is three (3) years. The work under these agreements will be assigned on a rotational basis for each of the four (4) applicable technical certifications. The position of each consultant in the first rotation is determined by the amount of money awarded Countywide to each firm during the previous three (3) years. Thereafter, the position on the rotation is determined by adding the amount awarded for each rotation to the starting for each selected consultant.

The number of agreements awarded will be determined by the number of qualified proposers who submit a proposal for this project. The contract has no minimum or maximum value, contract amount will be based on service orders, and funds will be derived from project specific funding sources.

Firms need to be certified in one or more of the technical certifications outlined below:
